The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Homosassa Phase V Septic to Sewer project in fiscal year 2024. The entity to receive funding for this project is Citrus County, Florida, located at 110 North Apopka Avenue, Inverness, FL 34450. The funding would be used to construct a municipal sanitary sewer system within the county. Construction will allow for the connection of approximately 183 properties near the Homosassa River to the County's wastewater collection system where flows will be routed to the Southwest Regional Water Reclamation Facility for advanced wastewater treatment.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
